- To administer a contest, promotion, survey or other site feature.
- To quickly process your transactions.
- To send periodic emails regarding your order or other products and services.
- To follow up with them after correspondence (live chat, email or phone inquiries)
- To conduct our token sale.
- To evaluate and determine your eligibility to participate in our token sale.
- To respond to your comments, questions, and requests and provide customer service.
- To monitor and analyse trends, usage and activities in connection with our site.
- To detect, investigate, and prevent fraudulent transactions or other unlawful activities. And protects the rights and property of Company and others.
- To carry out any other purpose as described to you at the time the information was collected.

How do we protect your information?

Our website is scanned on a regular basis for security holes and known vulnerabilities to make your visit to our site as safe as possible.

We use regular Malware Scanning.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

Do we use 'cookies'?

Yes. Most web browsers are set to accept cookies by default. If you prefer, you can usually choose to set your browser to remove or reject browser cookies.

We use cookies to:

- Understand and save user's preferences for future visits.
- Keep track of advertisements.
- Compile aggregate data about site traffic and site interactions to offer better site experiences and tools in the future. We may also use trusted third-party services that track this information on our behalf.
- You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings.

Disabling cookies on your browser:

Please note that if you choose to remove or reject cookies, this could affect the availability and functionality of certain aspects of our websites.

Third-party disclosure

We may allow others to provide analytics services to us in connection with our Site. These entities may use cookies, web beacons, and other technologies to collect information about your use of our Site and other websites and online services, including your IP address, web browser, pages viewed, time spent on pages, and links clicked. This information may be used by us and others to, among other things, analyze and track data, determine the popularity of certain content, and better understand your online activity.

Third-party links

Occasionally, at our discretion, we may include or offer third-party products or services on our website. These third-party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

To be in line with Fair Information Practices we will notify you via email within 7 business days, should a data breach occur.

We also agree to the Individual Redress Principle which requires that individuals have the right to legally pursue enforceable rights against data collectors and processors who fail to adhere to the law. This principle requires not only that individuals have enforceable rights against data users, but also that individuals have recourse to courts or government agencies to investigate and/or prosecute non-compliance by data processors.

Change of Privacy Policy

SureRemit may amend this policy at any time and in its own discretion by posting an updated version on SureRemit Site. If we make changes, we will notify you by revising the date at the top of the policy and, in some cases, we may provide you with additional notice (such as adding a statement to our homepage or sending you a notification). We encourage you to review the privacy policy whenever you access or use the site to stay informed about our information practices and the choices available to you. The updated version becomes effective at the time of posting. It is your responsibility to check updates regularly.
